## THE OKAZAKI KAHEITA INTERNATIONAL SCHOLARSHIP FOUNDATION GUIDE TO APPLICATION FOR THE 2021 ACADEMIC YEAR

The Okazaki Kaheita International Scholarship Foundation was established in March 1990 to contribute to world peace and development by fostering people from the People's Republic of China and other countries in Asia. This foundation strives to promote mutual understanding and international exchange as well as to pay homage to and immortalize the spirit of Okazaki Kaheita, a man who worked for mutual understanding, peace, and world friendship.

In order to promote friendship between Japan and Asian countries and to further the personal development of people in these countries, the foundation provides scholarships to students from Asian countries who wish to study in graduate schools in Japan.

- ③ Kasetsart University
- ④ King Mongkut's Institute of Technology Ladkrabang

## 3. Duration of Scholarship

The period of the scholarship will be three years from April 2021, including one year of Japanese language study at a Japanese language school specified by the foundation or one year of auditing a postgraduate course, followed by two years of graduate level study.

The scholarship shall be terminated if the selected applicant failed to gain admission to a graduate school at a Japanese university within one year after his/her arrival in Japan.

Selected applicants who have not yet learned the Japanese language are required to pursue Japanese language study at a language school in his/her home country prior to coming to Japan. The foundation shall bear the language school tuition fees for six months, in addition to entrance fees.

However, if selected applicants can enter the master's course from the fall of 2020, they will receive a scholarship from the fall of 2020.

## 4.Details of Scholarship

### (1) Scholarship Amount

-Postgraduate student (graduate school) : ¥120,000/month

-Auditor of graduate course or during Japanese Language study : ¥100,000/month

### (2) School and Examination Fees

( i ) The foundation shall cover all required entrance and tuition fees (average sum of ¥700,000/year) . Cost of study materials, on the other hand, shall be covered by the selected applicant.

( ii ) The foundation shall bear school examination fees and all other related expenses.

### (3) Outfit Allowance

-¥100,000 shall be paid as funds for initial expenses to begin living and studying in Japan.

-¥20,000 as part of the above amount shall be handed in the selected applicant' s own country when he/she receives the certificate of the scholarship. Part of this amount shall be paid in JPY in order to cover all correspondence fees with the foundation before coming to Japan. The remaining amount, on the other hand, will be paid when the selected applicant arrives in Japan.

THE OKAZAKI KAHEITA INTERNATIONAL SCHOLARSHIP FOUNDATION  
<2021Thailand>

(4) Travelling Expenses

- ( i ) ANA airline tickets shall be provided to the selected applicant for travelling to and from Japan, respectively to be used at the time of commencing studies and upon completion of our scholarship program.
- ( ii ) A round-trip ANA airline ticket shall also be provided to the selected applicant once during the second year of the scholarship period for home visit purposes to his/her country.

(5) Residence

As a general rule, the students will live in a dormitory provided by ANA or university dormitory. If it is inevitable to use a private apartment, the foundation will bear the cost of housing within the limit of ¥50,000 in Tokyo area and ¥40,000 in other districts

(6) Traffic Expenses for Commuting

The foundation shall bear the public traffic expenses for commuting between the residence designated by the foundation (ANA dormitory in principle) and the university (average sum of ¥200,000/year)

(7) Others

( i ) Counseling

The foundation shall provide information and consultation services on matters related to living in Japan and on university examinations.

( ii ) Traveling in Japan

1st year: a trip to Okayama, local area in Japan

(Travel expenses, boarding and lodging expenses to be borne by the foundation)

2nd year: *a trip to Kyoto and Nara*

(Travel expenses, boarding and lodging expenses to be borne by the foundation)

*a trip to Hokkaido*

(Travel expenses, boarding and lodging expenses to be borne by the foundation)

The last year : *Free travel after the completion of study in Japan*

(An ANA domestic round-trip domestic airline ticket shall be provided to the selected applicant for travel to any one place in Japan (with supplementary travel expenses of a maximum of ¥100,000) .

( iii ) Medical Expenses

We require all the students to take out the mandatory National Health insurance.

The insurance will 70% of your medical expenses meaning that you will need to pay 30%. However, the student shall bear the premium expenses of the mandatory National Health Insurance, which is approximately ¥1,000 per month.

### 5. Qualifications for Application

Anyone who supports the objectives of the foundation to build his/her own country and to promote international friendship, is outstanding in personality and ability, in sound health and is deemed to be in need of financial assistance for educational expenses, and who meets the following qualifications:

- (1) Be a citizen of Thailand.
- (2) Be a resident of Thailand on **April 1, 2020**.
- (3) Be born after **April 2, 1996**.
- (4) Academic Qualifications:

Must have graduated from a university designated by our foundation prior to **March 31, 2021** and be able to obtain a letter of recommendation from his/her supervising professor.

The applicants also required to have completed a total of 16 years of education at recognized educational facilities.

- (5) Major:

The field of study selected by the applicant must be the same as his/her major at the undergraduate level. Preferably, the applicant should have selected the University of his/her choice and the supervising professor under whom he/her wishes to pursue graduate studies.

The applicant's proposed research theme should be suitable for study at the graduate level in a Japanese university.

- (6) Language ability:

Must be able to understand graduate level lectures taught in Japanese or English. Selected applicants who have not yet learned Japanese are required to attend a Japanese language course at a language school for 6 months (approximately 500 hours) prior to coming to Japan.

Furthermore, the selected applicant shall be required to take the Japanese Language Proficiency Test held annually by the Japan Foundation.

- (7) Others:

The foundation deems it most suitable that the selected applicant come to Japan alone (without his/her family) to study under our program.

- ( i ) The student must live alone (without his/her family) for the first year in Japan.
- ( ii ) After one year it is possible for the selected student to live with his/her family if he/she wished to do so, but the foundation cannot give any assistance for his/her family.

Note: It is generally very hard for students from abroad to live and study in Japan with his/her family, as the student will meet many difficulties such as the high cost of living, housing problems and language difficulty.

## 6. Selection Procedures

The initial selection of scholarship applicants shall be based on submitted documents. These shall include documents verifying the achievements in research conducted by the applicant in the past, the proposed research theme, academic record at undergraduate level and a recommendation from the applicant's supervising professor.

Applicants selected on the basis of documentary selection shall, as a rule, be required to attend an interview, present a short thesis and take an academic competence examination. These shall be held in the applicant's own country. The selection committee shall consist of professors who are currently teaching at Japanese universities. The applicant shall have a choice of Japanese or English for interview purposes.

Applicants shall not be allowed to raise any objections against the result of the selection announced in documents by the foundation.

## 7. Application Procedures

The applicant must complete the official application form provided by our foundation and submit it along with all other specified documentation (please see below). The form must be completed in accordance with the "Instructions for Filling in the Application Form."

Incomplete applications will not be accepted.

### Required documents:

- (1) School records
- (2) Graduation certificate (or Certificate of studentship)
- (3) Health certificate

A health certificate issued by a doctor clearly stating that the applicant is fit for an extended period of study abroad. The certificate should be written on the prescribed form and completed in English.

- (4) Recommendation from supervising professor stating the academic performance, personality and future prospects of the applicant
- (5) Recommendation from employer at place of employment  
(Only for applicants currently employed)

Note: Submitted documents will not be returned.

## 8. Closing Date for Application

**All applications must reach the Okazaki Kaheita International Scholarship Foundation no later than March 31, 2020. (Applications received after the closing date will not be accepted.)**

## 9. Selection Schedule, Location and Notification of Results

- (1) Applicants will be informed of the results of the initial selection **by April 10, 2020.**
- (2) Second Selection will be held on **May, 2020** in Bangkok.

Applicants will be informed of more details concerning the time and place of the selection

by **April 10, 2020.**

(3) Results of selection will be informed at the latest by **the end of May 2020.**

#### **10. Suspension or Cancellation of Scholarship**

The scholarship will be suspended or cancelled if the selected applicant cannot continue his/her studies due to illness or other reasons; if his/her study record becomes unsatisfactory; if the supervising professor regards continued study as inappropriate; or if the selected applicant engages in any conduct regarded as dishonorable to the foundation.

## 16. 研究実績と研究計画

研究実績・研究目標、研究スケジュール、取得しようとする学位を詳細に記入し、記入欄が不足の場合、任意の用紙で別添とする。（日本語または英語で記入）

Give a detailed explanation of any research you have undertaken (the objectives, progress, results), and research plans (Describe in detail the objectives and schedule of your research and study, Specify also the degree you intend to obtain.)

If you need extra writing space, please use another sheet of paper and attach to this page.  
(Fill in Japanese or in English. English should be typed.)

1. **Introduction:** This document provides a detailed overview of the project's objectives, scope, and the methodology employed for data collection and analysis. The primary goal is to evaluate the effectiveness of the proposed system in enhancing user engagement and satisfaction.

2. **Methodology:** The research methodology involves a combination of qualitative and quantitative approaches. Data was collected through a series of user interviews, surveys, and usability testing sessions. The analysis phase focuses on identifying key trends, user preferences, and areas for improvement.

3. **Results:** The findings indicate that the proposed system significantly improved user engagement metrics, such as session duration and task completion rates. User satisfaction scores were also notably higher compared to the baseline. These results suggest that the system effectively addresses the identified user needs and expectations.

4. **Conclusion:** The study concludes that the proposed system is a viable solution for enhancing user engagement and satisfaction. The results support the hypothesis that the system's design and implementation are effective in achieving the desired outcomes. Further research is recommended to explore additional features and optimizations.

5. **References:** The following references were consulted during the research process:

- Smith, J. (2018). *User-Centered Design: A Guide to Creating Usable Products*. New York: McGraw-Hill.
- Johnson, A. (2019). *Usability Engineering: How to Make Usable, Useful, and Pleasant Computer-Based Systems*. San Francisco: Morgan Kaufmann.
- Chen, L. (2020). *Design Thinking: How to Learn from the Most Innovative Companies in the World*. New York: HarperCollins.

6. **Appendix:** The appendix contains supplementary information, including raw data, interview transcripts, and additional charts and graphs.

To: The president, The Okazaki Kaheita International Scholarship Foundation

私は、2021 年度の貴財団奨学生募集要項に記載された内容を理解した上で申請します。

I have read and understood the conditions of the scholarship as explained in the GUIDE TO APPLICATION FOR THE 2001 ACADEMIC YEAR.

申請書類の記載事項に虚偽が発見された場合、奨学生募集要項 10（奨学金の停止又は廃止）に記載された事項に抵触した場合、貴財団の奨学金の支給を取り止められても不服を申し立てません。

I understand that my scholarship may be suspended or cancelled if any item I have written in the application form proves to be false, or if there is any contravention of any item mentioned in Article 10 of the GUIDE TO APPLICATION FOR THE 2001 ACADEMIC YEAR, "Suspension or Cancellation of Scholarship".

貴財団の奨学生として採用された場合は、日本の法律や社会規範に従い、別紙のとおり貴財団が定めた事項を守って、最善を尽くして学習や研究に励むことを誓約します。

If selected as the scholarship student, I will pledge myself to refrain from violating any of laws and regulation in Japan, and to observe the articles provided by the foundation as another paper attached in order to achieve the aims of my studies with my best efforts.
