2022
APPLICATION PROCEDURE FOR ADMISSION
to the Master's Program
at Graduate School of Engineering
Nagaoka University of Technology
(SDG Professional Course)
【September Enrollment】

The graduate school of engineering at Nagaoka University of Technology offers the Master's program (named as SDG Professional Course). The following describes the application procedure for this program.

Admission Policy

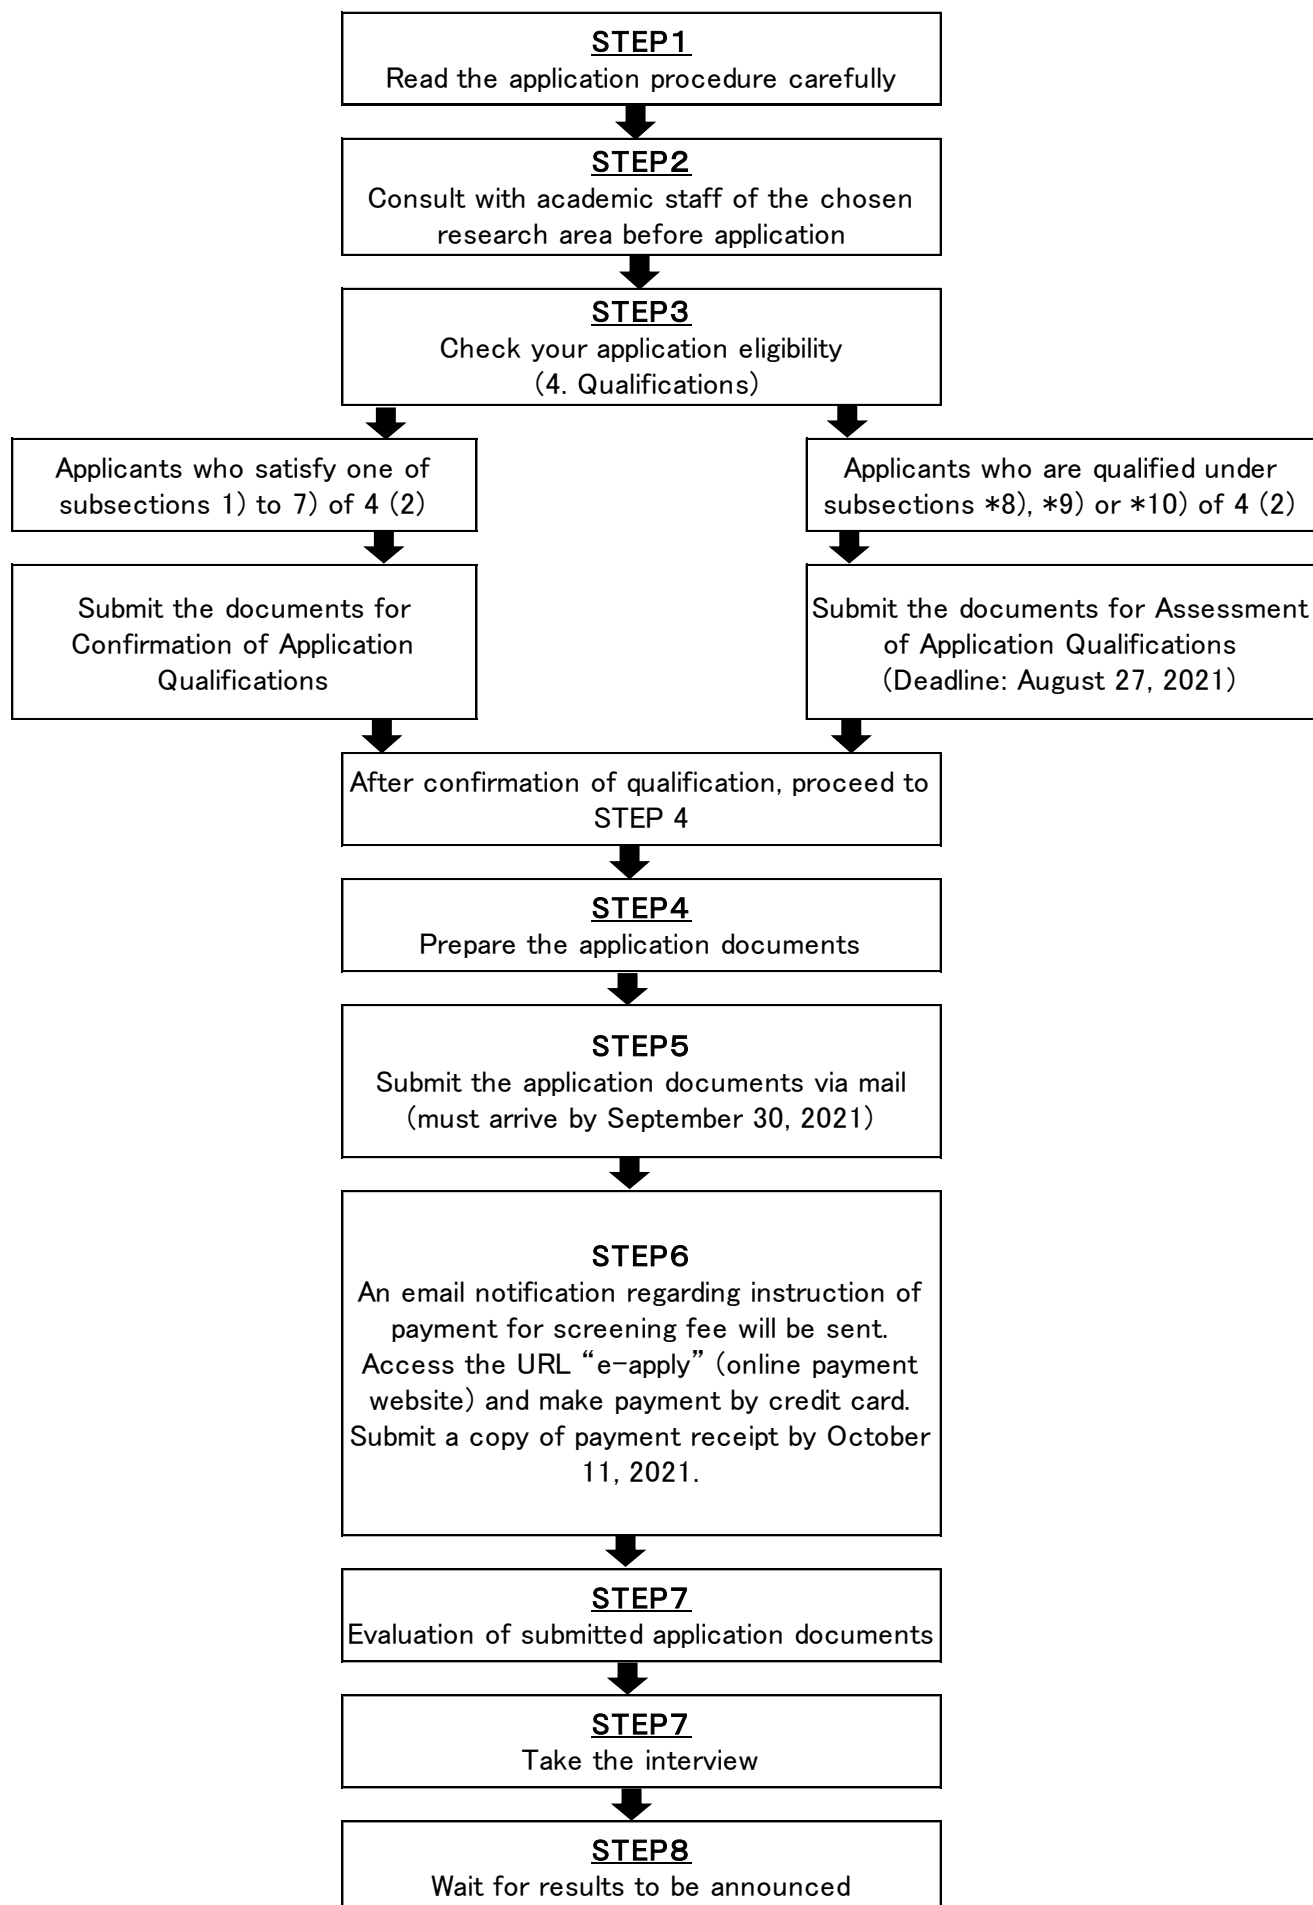

Nagaoka University of Technology aims to nurture the development of leading engineers and researchers with the practical and creative abilities to bring about global technological development in accordance with the “VOS” spirit (referring to Vitality, Originality, and Services to society). To attain this goal, the education provided at our university to all graduate students is designed to seamlessly continue from the bachelor degree level in order to train leading engineers and researchers. We invite students with the following characteristics to apply:

1. Students who have a strong interest in science and technology, and have the necessary fundamental academic ability
2. Students who can broaden their thinking based on knowledge, and are able to appropriately express their conclusions
3. Students who desire to pioneer new fields and create new theories, have an interest in manufacturing and craftsmanship, and wish to make social contributions through science and technology
4. Students who are able to proactively engage in study and research, and are able to collaborate with a wide variety of people to solve problems
5. Students who possess rich individuality, abundant human qualities, and a strong sense of responsibility and sincerity

1. SDG Professional Course Objectives

Nagaoka University of Technology offers this course as an engineering education program for sustainable development based on the agreement with UNESCO. This graduate-level course incorporates engineering education built on a foundation of Sustainable Development Goals (SDGs), and is designed to produce practical engineers/researchers with high levels of expertise and educators of advanced engineering.

2. How to Apply

3. Fields of Study and Authorized Student Enrollments

STEP 2

A small number of students will be accepted in each field stated below:

1. Mechanical Engineering
2. Electrical, Electronics and Information Engineering
3. Materials Science and Technology
4. Civil and Environmental Engineering
5. Bioengineering
6. Information and Management Systems Engineering
7. Nuclear System Safety Engineering

Applicant must choose one of the research areas referring to "12. Fields of Study and Research Areas" on page 9.

Applicant may also choose professor(s) or associate professor(s), if there are any preferred ones.

Please consult with academic advisor(s) of the chosen research area(s) BEFORE application.

(NOTE) When choosing one of the research areas, please refer to the appendix "Outline of Master's Program in the Graduate School of Engineering" and the university's website below;

<https://www.nagaokaut.ac.jp/e/gakubu/masters/masters.html>

4. Qualifications

STEP 3

First of all, applicants must be those who are applicable to either A or B below.

(A) Non-Japanese who hold a resident visa status permitting enrollment to the Graduate School under the Immigration Control and Refugee Recognition Act

(B) Non-Japanese who are expected to obtain the above status after enrollment in the Graduate School under the Immigration Control and Refugee Recognition Act

Applicants must also satisfy both (1) and (2) as follows.

(1) Nationality and Date of Birth: Applicants must satisfy all of the following conditions:

- 1) Have nationality of nations listed in section 13, page 10.
- 2) Be able to enroll in September 2022.

(2) Academic Background: Applicants must satisfy one of the following requirements:

- 1) Be a university graduate, or be expected to graduate by the end of August 2022, in Japan.

14. Scholarships for Successful Candidates

Nagaoka University of Technology will provide scholarships for successful candidates who meet the conditions mentioned in this section.

There are two types of scholarship. One is Japanese Government (Monbukagakusho) Scholarship. For this scholarship, our university will nominate up to three successful candidates who meet the qualifications of Japanese Government (Monbukagakusho) Scholarship mentioned below. Those who wish to apply for Japanese Government Scholarship 2022 should indicate it in section 14-1 on Form A. For further information, please refer to section “15. Japanese Government (Monbukagakusho) Scholarship”.

The other is SDG Professional Course Scholarship at Nagaoka University of Technology. Those who wish to apply for this scholarship should indicate it in section 14-2 on Form A and please refer to section “16. SDG Professional Course Scholarship at Nagaoka University of Technology” for details. Those who apply for Japanese Government (Monbukagakusho) Scholarship can also apply for this scholarship. However, he/she will be exempted from SDG Professional Course Scholarship if he/she is accepted as a Japanese Government (Monbukagakusho) Scholarship student.

Nominees for the scholarships will be notified along with the result of an entrance exam for this course. The final result of scholarships will be announced in July 2022.

(1) Qualifications for Scholarships

1) Those who wish to apply for scholarships must satisfy both (1) and (2) written in section 4. Qualifications, and enter Japan with newly obtained Student Visas. In addition, those who wish to apply for Japanese Government (Monbukagakusho) Scholarship must satisfy following i), ii) and iii) requirements as well:

i) Have nationality of a country to which the Japanese Government (Monbukagakusho) Scholarship program is offered.

ii) Be born on or after April 2, 1987

iii) Meet one or more of the following language requirements in Japanese or English:

○ Japanese

1 JLPT (Japanese Language Proficiency Test) N2 or higher at the time of entrance to NUT.

2 Completed a curriculum conducted in Japanese as a main language, which meets entrance qualifications for a master's program of Japanese university.

3 NUT can confirm that his/her Japanese proficiency is equivalent to JLPT N2 or higher.

○ English

1 B2 or higher at CEFR (Common European Framework of Reference for Languages) criteria at the time of entrance to NUT.

2 Completed a curriculum conducted in English as a main language, which meets the entrance qualifications for a master's program of Japanese university.

3 NUT can confirm that his/her English proficiency is equivalent to B2 or higher at CEFR criteria.

2) Notes

i) Those who received Japanese Government (Monbukagakusho) Scholarship in the past are not accepted to receive the same scholarship unless he/she has at least three years of research or teaching experience after the last scholarship was received as of August 2022.

ii) Those who are in military service are not eligible.

iii) The scholarship may be cancelled if a grantee fails to arrive in Japan by the appointed date.

iv) Those who have been living or plan to live in Japan prior to the enrollment in September 2022 are not eligible.

15. Japanese Government (Monbukagakusho) Scholarship

(1) Period of Scholarship

From September 2022 to August 2024 (2 years)

(2) The Amount of the Scholarship

144,000 JPY per month (subject to change). Due to the situation of the Japanese Government's budget, the amount of payment may be subject to change. If a grantee is absent from the university for an extended period, the scholarship shall be suspended for that period.

(3) Traveling Expenses

1) Transportation to Japan: MEXT will stipulate the travel schedule and route, and provides an airline ticket. The airline ticket will be an economy-class ticket for the flight from the international airport closest to the grantee's residence (in principle, the country of nationality) to an international airport in Japan used on the normal route to the accepting university. The grantee shall bear at his/her own expense all costs related to domestic travel from the grantee's residence to the nearest international airport, airport taxes, airport usage fees, special taxes necessary for travel, travel expenses within Japan (including airline transit costs), travel insurance expenses, carry-on luggage or unaccompanied baggage expenses, etc. The grantee shall also bear at his/her own expense travel and lodging costs incurred in a third country if the grantee must travel to a third country before coming to Japan for visa purposes because there are no Japanese diplomatic missions in his/her country, or if there are no direct flights from the grantee's country of residence to Japan. MEXT will provide an economy-class airline ticket from the grantee's country of residence to the said third country, and from the third country to an international airport in Japan used on the normal route to the accepting university. In principle, the address given in the space for "You address before departure for Japan" on the application form shall be recognized as the "residence," and the airline ticket will be arranged for a flight from the international airport nearest to that address. Except for cases when the grantee must travel to a third country to obtain a visa, MEXT will not provide an airline ticket for cases of travel to Japan from a country other than the grantee's country of residence due to the grantee's personal circumstances.

2) Transportation from Japan: Based on the application by the grantee, MEXT will provide an airline ticket to grantees who shall complete a course and return to the home country by the end of the final month of the period of scholarship (See "Period of Scholarship") designated by MEXT. MEXT shall provide an economy-class airline ticket from the international airport in Japan used for the normal route to and from the accepting university to the international airport (in principle, in the country of nationality) nearest to the returning grantee's residence. The grantee shall bear at his/her own expense all costs related to travel from the grantee's residence in Japan to the nearest international airport, airport taxes, airport usage fees, special taxes necessary for travel, travel expenses within the country of nationality (including airline transit costs), travel insurance expenses, carry-on luggage or unaccompanied baggage expenses, etc. If a grantee returns to the home country before the end of period of scholarship due to personal circumstances, or reasons stated in "Suspension of Payment of Scholarship", MEXT will not pay for the returning travel expenses.

If a grantee continues to stay in Japan after the scholarship period has ended (ex. proceeding to further education or being employed in Japan, continuing to register at the university), travel expenses for a temporary return will also not be paid.

(4) Tuition and Other Fees

Grantees are not required to pay for admission and tuition fees. The screening fee will be refunded to those who are accepted as a Japanese Government (Monbukagakusho) Scholarship student.

(5) Suspension of Payment of Scholarship

Payment of the scholarship will be cancelled for the reasons given below. Should any of the following reasons apply, the grantee may be ordered to return a part of, or all of, the scholarship paid up to that time. Payment of the scholarship may also be stopped during the period up to the decision on the disposition of the matter.

- 1) A grantee is determined to have made a false statement on his/her application;
- 2) A grantee violates any article of his/her pledge to the Minister of Education, Culture, Sports, Science and Technology;
- 3) A grantee violates any Japanese laws and is sentenced and imprisoned for an indefinite period or for a period exceeding 1 year;
- 4) A grantee is suspended from his/her university, or receives other punishment, or is removed from enrollment; as a disciplinary action in accordance with school regulations of the accepting institution;

To applicant: Fill in the above and give this form to the Registrar or equivalent college/university official.

To the Registrar or equivalent college/university official:

The above-named person is applying for admission to Nagaoka University of Technology (NUT). Our admission procedure requires the applicant to submit a complete set of transcripts (and other relevant documents) together with his/her Application for Admission Form.

Please complete this Transcript Request Form. If you need to explain your institution's grading policy, please do so on a separate sheet of paper. For additional comments, you may write these on the back of this form.

Place the completed Transcript Request Form and your statement (if any) in one envelope together with the applicant's transcript. Seal the envelope and sign along the flap. Give the sealed envelope to the applicant. He/She should then forward it to our Institution, unopened. If your institution's policy prohibits release of transcripts directly to students, please forward the transcript to the address shown below.

To further assist NUT's Committee on Admissions in evaluating the applicant's record, please provide the following information (if the following information is not available, please write N/A in the appropriate space):

Applicant's cumulative GPA _____ Final year GPA _____

Highest possible GPA in your institution's grading system _____

Minimum GPA required for graduation in your institution's grading system _____

Class rank _____ Total class size _____

* In general, class is the total number of students enrolled in the same academic year in the same faculty. However, in some universities, "class" may be defined as the department, course or major.

Please write both "class rank" and "total class size" to indicate relative performance of the student.
